## Nabíječka do auta Kruger&Matz 2xUSB s funkcí Quick Charge 3.0

Včetně DPH	<b>270 Kč</b>
Bez DPH	<b>223 Kč</b>
Dostupnost	<b>Na vyžádání</b>
Dostupnost na skladě	<b>1037 kusy</b>
Dodací lhůty:	<b>3-5 dny</b>
Katalogové číslo	<b>00985604</b>
Výrobce	<b>Kruger Matz</b>

### Popis produktu

- Typ: Automobilova
- Připojení: USB
- Typ připojení: 2xUSB zásuvka
- Vstupní napětí: DC 12-24 V
- Výstupní napětí:
  - USB 1: 5V
  - USB2: QC 5V 9V 12V
- Výstupní proud:
  - USB 1: 2.4A
  - USB 2: 3A 2A 1.5A
- Bezpečnost: Před přebitím a přepětím
- Bezpečnostní certifikáty: CE, ROHS

- This product features intelligent power tubes IC precision components and circuits with Qualcomm 3.0, flame retardant PCB board, make the product stable voltage and sufficient electricity output.

- This car charger has best Quality 2 USB Port, charge two mobile devices at the same time, suit all electrical equipments that use a USB charging cable. Make of high quality PC+ metal material, and suitable for working in all cars, easy to use can convenient to carry.

- The IC control the charging process, the charging speed, high efficiency, full automatic constant pressure, automatic saturation detection, avoiding over charging of the batteries.

- The protection of this car charger is Short circuit, over voltage, over current, and over voltage process, make your car and digital products guaranteed.

- The product has the new security features and rainy day emergency distress can help themselves, for your safety extra layer of protection to lick.

Note: This product has excellent heat dissipation with metal surface. In the charging process, the shell fever is a normal phenomenon.

Applications:

This universal USB electronic cigarette car charger with qualcomm 3.0 is fit for iPad/iPhone/Sumsung / HTC/ Motorola/ Nokia/ MIUI/Huawei/tablet and other mobile devices.
